Fountaingrove District

AGING

22 months
62% new French oak

SCORES

91+ points, Jeb Dunnuck

CLONE

Clone 337

ALCOHOL

14.5%

Perched high on a north-facing slope on the westside of Spring Mountain, the Berler Vineyard is planted exclusively to Cabernet Sauvignon. A “suitcase” vineyard that Joe Nielsen brought to Ram’s Gate, this is an elegant and refined vineyard site, reminiscent of a bygone era for Sonoma Cabernet Sauvignon. The fruit sourced from this vineyard comes from block 7 which at its peak is 1600 feet above sea level.

Hailing from an exceptional vintage that produced tiny clusters of power, coupled with a naturally low vigor site of 1.9 tons per acre, the resulting wine is concentrated and compelling. On the nose the wine is mysterious with red fruits, plum sauce and its hallmark forest floor and olive tapenade. Although young, the 2019 is showing a delicious core with velvety mountain tannins, with lifting acidity and a persistent finish.
