13.7%

### COOPERAGE

Taransaud, Sirugue, Atelier Center of France

In the splendid vintage of 2021, our Estate Vineyard graced us with exceptional quality, endowing the wine with great concentration due to dry conditions prevalent throughout the growing season. Embarking upon our second full vintage of organic farming, this iteration of our Chardonnay radiates with inherent weight and concentration, delivering a sensory experience brimming with deliciousness and energy.

On the nose, one is greeted with an explosion of lychee, kiwi, and chai spice, evoking the essence of our sun-drenched vineyard. Though youthful, the nose promises evolution with bottle age, with primary notes poised to mature into a symphony of complexity. On the palate, the Estate Chardonnay dances gracefully, a rare embodiment of both substance and precision. A bright minerality tantalizes the palate, guiding it through a captivating journey to a lingering, seductive finish.
