## 2022 ROSÉ, SONOMA COUNTY

APPELLATION  
Sonoma County

AGING  
6 months  
100% neutral barrels

ALCOHOL  
14%

Only 100 cases produced!

VARIETALS  
51% Pinot Noir  
49% Mourvèdre

We're excited to introduce the 2022 edition of our popular Rosé! In keeping with our desire to have the wine produced from the most optimal fruit for Rosé in each year, this refreshing beauty features the exotic Mourvèdre varietal for the first time. It pays homage to the classic rosés of Southern France with its beautiful pale color and vibrant personality.

On the nose are enticing aromas of tangerine, orange blossom, and guava. The wine's refreshing acidity and lively freshness are perfectly balanced on the palate, leading to a long and satisfying finish.

Although pretty on the eyes, this exquisite salmon-hued wine is sophisticated and complex. It's perfect for summer activities or enjoy it with your favorite meals year-round.
