### CLONES

63% Clone 1  
37% Musqué clone

### ALCOHOL

14%

### COOPERAGE

Tremeaux, Atelier Sirugue

What an exceptional vintage for Sauvignon Blanc—the 2022 vintage is truly outstanding. Sourced from our Estate Vineyard, where organic farming practices have been in place since 2020, this vintage showcases aromatic finesse, precision, and remarkable deliciousness.

This vintage reveals an enticing perfume, a delightful reflection of its terroir. With a reduction in stainless steel usage by nearly half in 2022, the wine offers notes of passion fruit, lemon zest, and stony flint on the nose, leading to a rich palate yet with a laser-like focus.

Our winemaking team draws inspiration from old-world techniques, finding admiration in the nobility of Bordeaux Blanc—a tradition that adds depth and character which is showcased in this approachable and enjoyable wine.
