25% Grenache

We dive headfirst into the 2023 vintage with a splash of Rosé! Revisiting a blend of varietals more akin to the acclaimed 2021 vintage, our Estate Grenache takes on a captivating supporting role nestled between Mourvèdre and Pinot Noir.

Distinguished by a profusion of red fruit, the nose dances with aromas of strawberry patch, fresh summer melon, and cranberry. On the palate, the wine exudes vitality, supported by a luscious texture and inviting acidity.

Just like every Rosé we craft; it serves as a mirror reflecting both the unique vintage and terroir we meticulously tend to. This year's rendition brims with character, energy, and sheer deliciousness, embodying a singular expression that will undoubtedly captivate. With a mere 160 cases produced, it's destined to disappear quickly!
